Good morning Dr. Mullan,

From my understanding Nicole Eaves (credentialing liaison) sent over the remaining paperwork to Amanda Ferdinand yesterday. You should be all set to start work on Thursday. Please let me know if you have any questions.

Thank you!

All the best,

Hey Melissa -

I have not been interfacing at all with HR at H+H (apart from fingerprinting).

Just been working with Tiara Catalano (CC'd here) at the recruitment agency.

Tiara - seems that HR may not have all the paperwork they require. Do you have any further information?

Thanks very much.

Louise

Hi Louise

I don't have any direct contact or involvement with HR so I cannot say when/if you are cleared to work. You'll need follow-up with HR and Beesh to confirm they have everything they need for you to start. Please let me know.

Thanks

Melissa

Thanks Melissa.

Yes sent all this to Execu-search some time ago. I think they were liaising with Miguel (?) from H+H.

Maybe some delay in communication.

Just let me know when all is good and I'll be there.

Louise.

Hi Louise

I'm forwarding you below email from Beesh regarding HR. I'm not sure if you submitted these things. Let's plan on starting Thursday 5/24 assuming all is good with HR.

Thanks

Hi Louise,

I understand you are planning on starting at the Bronx Court Clinic next week.  
We're really looking forward to it!

I was just following up with our HR, and looks like there are three remaining documents before your application is complete and you can begin. Hope you can provide these:

1. Resume
2. BCLS
3. Medical school degree

Thanks so much,

Beesh
